Dear Parents,

The Summit Country Day School offers individual instruction in **violin** and **piano** to students during the school day. Lessons are offered to students in Kindergarten through Grade 12. The skills, understanding, and appreciation of music that your child attains now can be a source of enjoyment and relaxation throughout his or her life.

A lesson is for forty minutes per week. Each piano student in Kindergarten and Grades 1-3 receives his or her lesson in two parts on two separate days.

Enrollment for piano and violin is by the semester. The cost of lessons is \$875 per semester. If you wish to enroll your child in piano or violin lessons for the 2011/12 school year, please complete the form below and return it with a \$100 deposit to the Business Office by August 15, 2011.

Typically, piano and violin lessons begin after one full week of school in the fall and continue until the last week of school. The last week of school will be a time for teachers to make up any lessons missed due to the teacher's absence.

If you enroll your child in piano and do not yet have a piano we ask that you make arrangements to secure one before lessons begin in August. Having a piano on which to practice is essential.

If you have any questions about violin lessons, you may call Mrs. Lois Reid Johnson at 221-7475. Please call me at 871-4700 Ext. 238 if you have any questions about piano lessons.
