

# Alumni Application Fee Waiver

Dear Summit Alumni,

The Summit Country Day School Admission Office would like to provide a fee waived application for a member of your family or a prospective family that you feel would benefit from a Summit education. The fee waiver is good for any child applying to The Summit for the 2009-2010 school year.

We hope you will use this fee waiver for a member of your family and extend this opportunity as an invitation for you to spread the word about The Summit to prospective students. With your recommendation, the Admission Office will waive the application fee for a legacy or for a prospective student who you feel would be a great fit for your alma mater. Simply fill out the Alumni Fee Waiver form, and share it with a future Summit Silver Knight. If you would like additional copies of the fee waiver for your family or friends, please contact Kelley Schiess in the Admission Office at [Schiess\\_k@summitcds.org](mailto:Schiess_k@summitcds.org) or download a form from the Alumni website at [www.summitcds.org](http://www.summitcds.org).

Sharing your experiences and encouraging families to consider The Summit is very much appreciated.

Thanks for your help!
