

# PLAYER AND PARENT CODE OF CONDUCT

## Summit Country Day Youth Lacrosse

### Players:

1. I will exhibit strong character and leadership – the expectations are no different than those of my School.
2. I am a 'student-athlete' (in that order)...School work always comes first.
3. I will show a positive and constructive attitude toward my teammates, coaches, opponents and referees. I will show restraint and respect toward officials. Only coaches are allowed to address the officials during games. I agree that arguing with coaches and referees will directly affect my playing time and progress against agreed upon goals.
4. I understand that naying fighting, throwing of equipment or similar inappropriate conduct will result in removal from the team.
5. I agree to work hard, follow the rules, learn the game of lacrosse and above all, have fun.

### Parents:

1. I understand that my daughter's participation in Summit Youth Lacrosse binds her and us to the Schools Athletics Code of Conduct. If I'm not familiar with the Code of Conduct, I'll arrange to obtain a copy and become familiar with it. (available in Athletic Office)
2. I understand that Youth Lacrosse is developmental and practice is very important. Inadequate practice time is not fair to my daughter or the team. Therefore, I pledge to have my daughter to practice and games on time. If my daughter will not be able to attend a practice or game, I'll notify one of the coaches in advance.
3. I understand the importance of setting a good example for our players. Therefore, I will show respect for all involved in the game including coaches, players, opponents, opposing fans and officials. I understand that Youth Lacrosse referees often are new referees and concerned with the players learning the game; and will refrain from criticizing them for mistakes or perceived bad calls.
4. I will refrain from yelling instructions to my daughter or other players during games since this is the role of coaches. Lacrosse is a fast-paced and chaotic, and our players are trying to respond to opponents, teammates and coaches. I'll limit my comments to cheering and encouraging my daughter and other players.

We will honor this Code of Conduct in our words and actions.
