

# Summit Country Day '09-'10 Boosters Membership Form

The Summit Boosters Association provides ongoing supplementary support for our sports teams, helps improve our athletic facilities, and manages our K-6 sports program. Membership in the Boosters is open to all Summit families. When you join the Boosters, you become part of a group of people dedicated to making a difference by investing in our athletic program. The Boosters has ample opportunities for you to actively participate as a Board member, K-6 commissioner or coach, team liaison, or by helping out at special events. We welcome your involvement in the Boosters with your time, talents and treasure.

Membership fees and concession revenues are the main sources of funding for the Boosters. During '08-'09, the Boosters donated \$4,000 to the scholarship fund, purchased a team van, purchased additional bleachers for Williams field, replaced L-screens in the batting cages at the Complex, replaced catcher's equipment for the K-6 baseball teams, renovated the equipment storage shed for the K-6 sports program, purchased new mats and a timer for the wrestling program, and funded continuing education for our Athletic Director.

Please consider joining the Boosters at one of the three membership levels. Each level includes admission to all home games, except OSHAA playoff games. Booster membership also includes admission to all the Parent Run Program (K-6) home games that charge a gate fee (football, basketball, volleyball). A family pass means the immediate family, generally two parents and all school aged children.

\_\_\_\_\_ **\$500 Silver Knight Membership** includes a pass for your immediate family to all home game sporting events, Silver Knight Deluxe Cooler, preferred parking at home football games, one MVC away game pass, and sports decals for your choice of sports. This membership level also includes the option of directing \$250 of your donation to the sport(s) of your choice. Direct a portion of my donation to the follow sport(s): \_\_\_\_\_
