## Why Boosters?

More than 400 students participate in the Athletic Program at the Summit. Many more participate as spectators socializing at games, and cheering on their classmates. *A strong sports program keeps kids involved and builds school pride!* But the school can't supply everything our team's need. That's where you come in. Membership fees and concession revenues are the main sources of funding for the Boosters. During the 2010-2011 school year the Boosters donated \$4,000 to the Summit Scholarship fund, \$10K to the turf baseball field, a new grill and upgrades to the snack bar, new website for K-6 sports, financial pledge for renovation of tennis courts, training aids for cheerleaders, funded continuing education for our soccer coaching.

## What YOU can do:

**Join us!** By joining Boosters you will become a part of a dedicated group of individuals who are making a difference by investing in our children's sports programs. Your paid membership and any additional donation will be used to fund important athletic expenses that can't be covered otherwise. Membership in the Boosters is open to all. The Boosters have opportunities for you to actively participate as a Board member, K-6 commissioner or coach, team liaison, or by helping out at special events. We welcome your involvement in the Boosters with your time, talents and treasure.
