

Birthdays Books

for

Parents of Montessori, Lower and Middle School Students

Celebrate your child's birthday with a **Birthdays Book** and help build The Summit library collection. Fill out the information below, attach your payment and a pre-selected book will be purchased through the SPA to be placed in your child's library. A special bookplate will be mounted inside the book, dedicating it to your child in honor of his/her birthday. Your child may take the book home to enjoy for a few days and then return it to the permanent library collection in their school to be shared with everyone.

**The cost is \$18 per book. Please make payments to:
Summit Parents Association**

**Send your payment with this form to:
Suzanne Howard – 3007 Paxton Knoll Lane – Cincinnati, OH 45208**

Please fill out a separate form for each child. Allow three weeks to process your request as books have to be decided upon, purchased and prepared. If your request arrives too close to the birthday, your child will receive a lovely Birthdays Card telling them you have gifted a book in honor of their birthday and that it will arrive soon.

Summer birthdays may be presented near the child's half birthday.

If you have questions, please contact Suzanne Howard at 859/386-4156 or suzanne.howard@fmr.com.
