

## Library Legacy Program

### Parents of Upper School Students and Alumni of the Summit

As a modification of the Birthday Book program, we are offering an Upper School Library Legacy program. With a \$25 donation the SPA will purchase a book for the Upper School Library. A dedication bookplate will be placed in the front of the book with the *students' name or graduates' name* and/or their *Class Year*.

This is a wonderful way to support our library and honor your child (or their class if you choose anonymous class dedication.)

You can initiate the request any time of year, but the deadline will be May 15 each year. We will send an email notice to you with the title of the book(s) and the students are welcome to check the books out of the library.
